About Me

Technical Skills - Java, Core java, DSA, MySql and Javascript

Work Experience

PIVOT- Junior Web Developer | Mumbai, Aug 2023 - Dec 2023

Java Developer with hands-on experience in designing, developing, and maintaining Javabased applications. Proficient in Java technologies and frameworks, including Spring, Hibernate, and RESTful APIs. Adept at working in collaborative environments, troubleshooting, and delivering robust and scalable solutions.

MOBILLA - Shopify Developer Internship | Mumbai, Aug 2023 - Dec 2023

- Implemented responsive design principles to ensure seamless browsing experiences across desktop and mobile devices, resulting in improved user retention and conversion rates.
- Assisted in the integration of third-party apps to extend the functionality of our Shopify store, such as payment gateways, shipping solutions, and marketing tools.
- Conducted regular performance audits and optimizations to improve page load times, reduce bounce rates, and enhance SEO rankings.
- Employed techniques such as image optimization, lazy loading, and code minification to achieve significant improvements in website speed and performance metrics.
- Collaborated with the technical support team to address customer inquiries and provide timely resolutions to issues reported through various channels.
- Utilized HTML, CSS, and JavaScript to create visually appealing and user-friendly interfaces, adhering to best practices in web development and accessibility standards.
